

ORIGAMI STARS

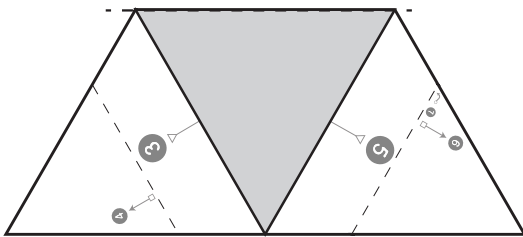

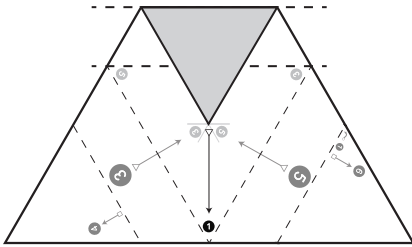

INSTRUCTIONS

- 1. Colour the Matariki Cluster page to look like space
- 2. Cut out these 7 triangles
- 3. Turn each triangle into a star following steps 1-7
- 4. Glue each star into the cluster. Star A on dot A, a star B on a dot B etc...

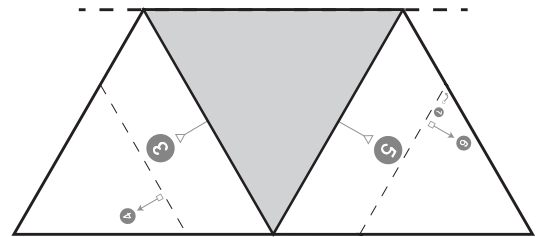

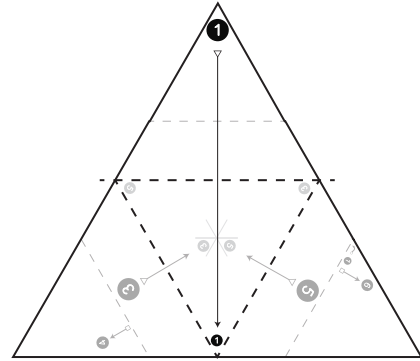

ORIGAMI STARS

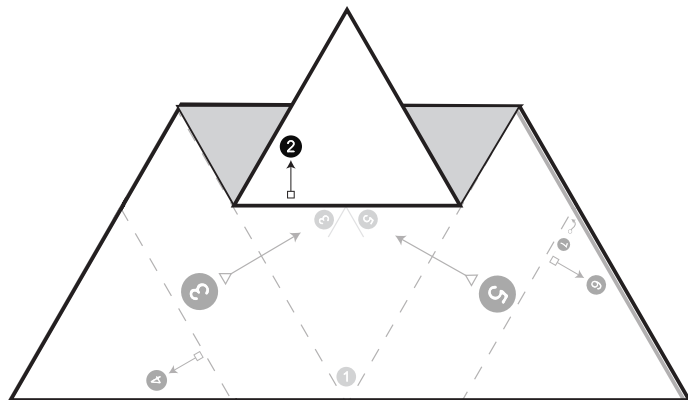

Prep - Fold corner to center, crease. Then fold to bottom and crease. Unfold. Repeat with each corner.

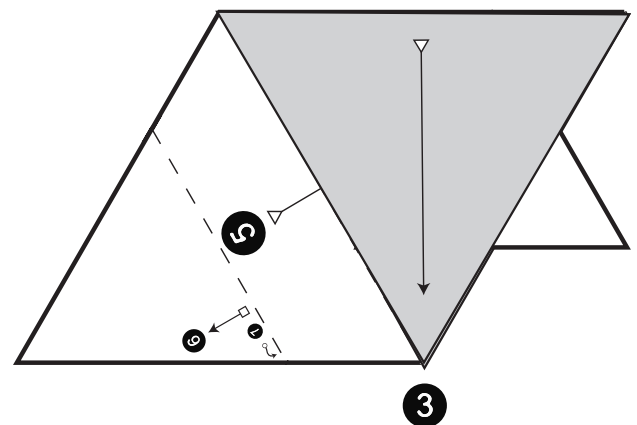

1 Fold corner 1 to base of triangle.

2 Fold half of corner back up, along the crease, to reveal the number 2.

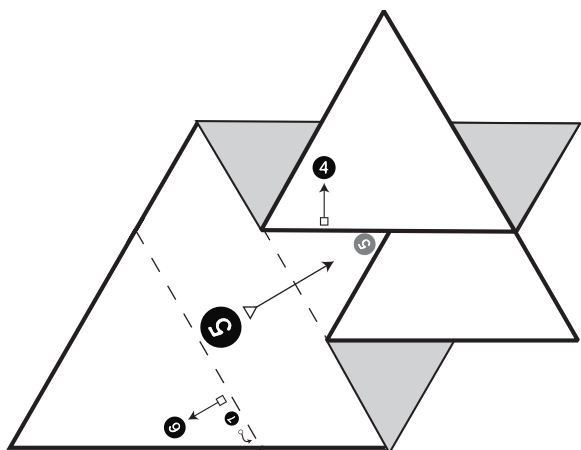

3 Fold corner 3 to base of triangle.

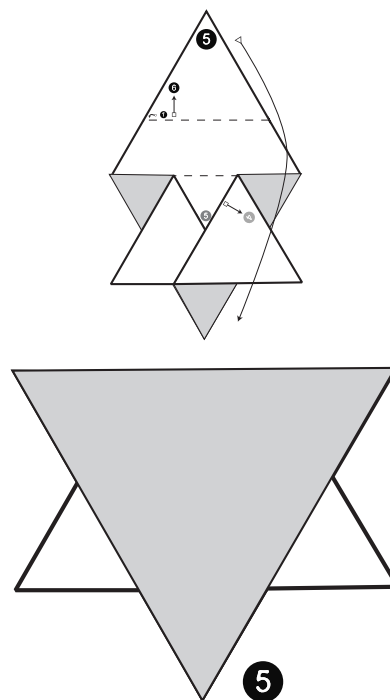

ORIGAMI STARS

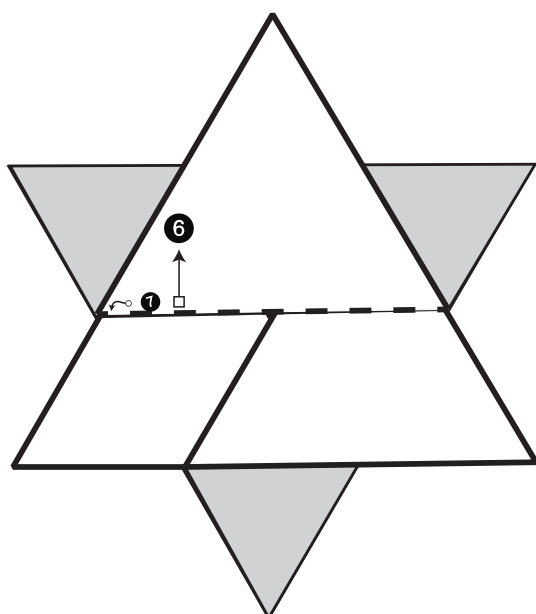

- 4** Fold half of corner back up, along the crease, to reveal the number 4.

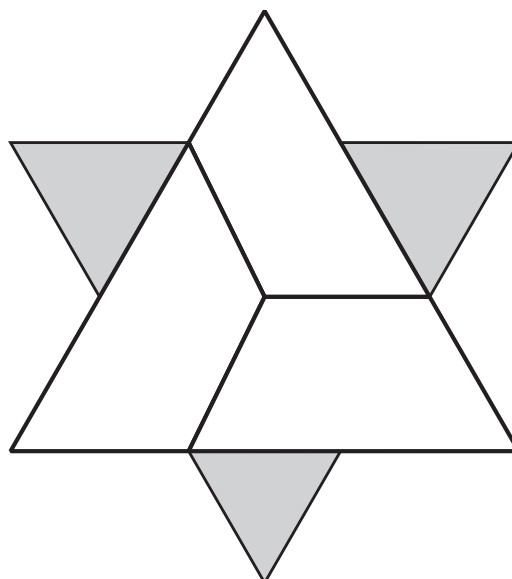

- 5** Fold corner 5 to base of triangle.

- 6** Fold half of corner back up, along the crease, to reveal the number 6.

- 7** Tuck corner 7 into the star, hiding the number 6.
